### **What is EXCO?**

EXCO is a collective of Experimental Colleges in the Twin Cities that shares visions of a better world, offers free and open classes and is building a community around education for social change. EXCO strives to offer the Twin Cities communities the opportunity to teach or learn in a space open to alternative education and all kinds of knowledge, particularly those that have been historically marginalized. *Everyone can teach or take classes and all classes are free!*

### **What Should I Know About Teaching?**

Classes can be on skill or knowledge. The fall session starts the week of September 22<sup>nd</sup>. Classes can meet anywhere in the Twin Cities. Facilitators are volunteers but we may be able to provide up to \$300 for those who couldn't run classes without it. We may also provide money for supplies. If you are interested in facilitating a class – download and submit the application by August 25<sup>th</sup>.

**Past classes include:** *Latino Labor Organizing, Basic Songwriting, Global Warming and Energy, The Social Responsibility of African American Music, Experimental Film, Bike Maintenance, Anarchist Anthropology, and many more!*
